Homelessness is like...

a...

book with...

no cover

like a

foot with no...

sock. Like a

sock with

no boot.

I wish for homes...

For everyone!

By: Max Steinkoler, 1st Grader

A home, A home, A home is what I long.

That, is thr reason, that I sing this song.

I, I just want one room.

I, I hope, I get it soon.

I just want a roof and wall to keep it up

But, I don't think I can get it wht the money in this cup

My wish

I wish

I wish that people could have

A nice warm bed

My wish

I wish

People out there now could have

Something to make their life better

My wish

I wish

People out there right now could have

A nice house to keep them warm and dry

My wish

I wish

People out there right now could have

Something to make them feel that they are the

Right person they are today every day

Something

Something

Just something

To make their day or night that they have somewhere

Deep down inside their hearts that they are loved

Not in their hearts but always every day and night

That they know that they let me say this again

All day and night they know that they are loved all day and every

night

May they know this my wish

By Charlotte Hollman, 2nd Grader

Imagine what it feels like
To be homeless

Everyone walking past you
looking right through you
like you're
invisible

Imagine yourself
sad
and lonely
your heart hurting
as much as it does
to break a bone

And imagine your self
at night
sleeping on
a hard and cold surface
with a worn down blanket
and worn down clothes
that are dusty and dirty

So my wish
for people who are homeless
is that the next time
any of us sees someone homeless
we smile,
say hi.
and make them feel like one of us

Because
they
are!
