

Successful organizations develop leaders at all levels. The Friendship Place Emerging Leaders Program is designed to equip emerging leaders to understand themselves, teams and organizations. This program will help you:

- Understand your personal values, strengthens & core purpose
- Communicate and collaborate with stakeholders
- Learn how to make fair and informed decisions
- Receive feedback with an open mind and deliver it with tact
- Adjust your leadership approach to grow and evolve
- Expand your personal and professional network

What You Will Learn

Through presentations, case studies, self-reflection, workshops and individual exercises, you will examine the fundamentals of effective leadership, who you are as a leader and your style. The program is designed to provide participants with tangible knowledge and resources in the areas of communication, diversity, management practices, self-awareness and development. In addition, participants will build a strong network among their peers, community members, colleagues, mentors and/or coaches.
