PROGRAMS & IMPACT

Permanent Supportive Housing

Placed 733 (281 single adults and 452 total family members) highly vulnerable, chronically homeless people in apartments throughout the District. Our PSH case managers provide continued support to empower them to achieve personal goals for recovery, health, financial stability, family re-unification, work and social well-being. *Our PSH programs have a housing retention rate of 99%.*

Street Outreach

Served 117 individuals living on the street, connecting them to services, hygiene kits, and daily necessities.

Veterans Services

Our award-winning Veterans First program prevented or ended homelessness for 562 veterans and their family members throughout DC and eight surrounding counties.

Job Placement

Using an innovative “employment first” fast-track approach, placed 81 people experiencing or at-risk of homelessness into jobs with an average starting pay rate of \$15.22/hour. An additional 129 people gained jobs through employment services that are integrated into our housing programs.

Drop-in Center

Hosted 1,025 visitors at our Welcome Center, providing a place of refuge from the street where anyone can find assistance obtaining housing and vital documents as well as gain access to essentials such as food, mail, and survival/hygiene kits.

Free Clinic

Provided 270 free medical or psychiatric consultations.

Youth and Young Adult Services

Provided developmentally-informed supportive services and counseling to 53 homeless and at-risk 17-to-29 year olds in our Before Thirty program, placing 22 into housing. Conducted street outreach to 280 runaway, homeless and at-risk 17-to-24 year olds through our Youth Connect program, distributing 280 survival/hygiene kits, and conducting 65 housing intakes.

Transitional Housing

In partnership with area congregations, Friendship Place operated three small, home-like transitional shelters and provided 25 men and women with a safe place to stay while rebuilding their lives.
