

## **FY 25 Neighbors First Individuals (NFI) Logic Model**

## **Agency Strategic Goals:**

- Goal #1: Strengthen and expand our services and housing programs to help end homelessness in the D.C. metro region (Goal #1 on SP)
- Goal #3: Steward and strengthen our relationships with our government partners to ensure effective service delivery, improve the services experience, and support our system's collective efforts to end homelessness

## **Division/Program Goals:**

- Goal 1: Provide high quality case management services to PSH participants by meeting at least 85% or higher of DHS and Medicaid billing standards monthly
- Goal 2: Strengthen partnerships with DC government partners by attending leasing, 1:1, and provider meetings, and collaborating on contract-related challenges
- Goal 3: Use a team approach to ensure that participant needs are met, including offering 24/7 access to an emergency on-call case manager and the Division Director
- Goal 4: Support all NFI households in establishing and maintaining housing, community supports, and sources of income
