

FY25 The Aston Logic Model

Agency Strategic Goals:

- Goal #1: Strengthen and expand our services and housing programs to help end homelessness in the DC metro region
- Goal #6: Build public awareness of our program and raise our profile as a flagship provider of high quality, values-based services and solutions for people experiencing homelessness in the DC metro region

Division/Program Goals:

- To provide year-round non-congregate shelter for up to 190 participants at one time
- To provide case management services for up to 190 participants at one time
- To provide facility and program operations
- To help participants identify and move into permanent housing as quickly as possible
